Our 53' trailer is custom-fitted to perform with maximum speed and efficiency. The extra large lift gate provides quick and safe loading and unloading of all equipment. All equipment is carried on "wheels" allowing us to be extremely mobile. A workshop area allows us to provide specialty camera and lighting "gags" on the spot. All stands and hardware are new and made by American Studio Equipment. Our 40' rigging trailer is custom fitted for rigging. A workshop on this trailer helps to make rigs on the spot. Extra large lift gate, equipped for rigging any show.

1 tow behind trailer equipped with Giraffe Crane Complete. 12' foot - ride two, 16' foot - ride two, 21' foot - ride one, 32' foot remote, 100' foot of wide lightweight track, wedges, cribbing; from opening doors of trailer - 15 minutes to assembly in any given configuration.

The variety of our equipment allows us to accommodate even large productions without the need for, or expense of, outside rental houses.
